

REMARKS

Claims 1-60 are all the claims pending in the application. Claims 3, 7, 8, 12, 17-19, 28-31, 38 and 44-60 have been withdrawn from consideration.

Applicant thanks the Examiner for the in person interview conducted on June 13, 2006.

Applicant submits that all changes to the claims are fully supported in the Specification. For example, a guiding protruding portion 47 in the recessed portion 38 is described in the Specification on page 12, lines 12-24, to provide an exemplary support for the changes to claim 1. Further, the combination of page 12, lines 12-24 and Figs. 10 and 12 provide an exemplary support for the changes to claim 9.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,

Grant K. Rowan
